Abolition of Rural Levy

850. SHRI SATYA PRAKASH MALAVIYA :

SHRI ANANT RAM JAISWAL : Will the Minister of COMMUNICATIONS be pleased to state :

(a) whether it is a fact that rural communications has suffered a set back with the abolition of rural levy charged by the Department of Telecom from MTNL and VSNL;

(b)if so, what are the main considerations for abolition of rural levy stating the shortfall in the rural communications investment as a consequence thereof; and

(c) in what manner Government propose to carry out the rural communication work ?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM) : (a) to (c) Rural levy has not been abolished. The only change is that from 1991-92 it is no longer "tax exempt" as in the past. To this extent a part of the resources of the Telecom Sector get transferred to the general Exchequer in the form of additional taxation. Rural communication programme has, however, not been adversely affected due to funds constraint.
